All items will be personally autographed by the author or illustrator!

ISBN: 978-1-60404-100-2

The first book in a series about a group of young frogs who manage to make the world a better place as they journey into the world on Fox Away Farm in Southern Ohio. In this book the gang will make a new friend, venture off to their first day of school, and help some grown up frogs learn a valuable lesson about judging others by the color of their skin.
